Part X, Line 2:

The organization is a non-profit organization exempt from income taxes under Section 501(c)(3) of the IRC. The organization has been classified as a publicly supported organization that is not a private foundation under section 509(A)(1) of the IRC.

The Organization follows FASB ASC 740-10-00, "Accounting for Uncertainty in Income Taxes." This pronouncement seeks to reduce the diversity in practice associated with certain aspects of measurement and recognition in accounting for income taxes. It prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position that an entity takes or expects to take in a tax return.

Part XIII Supplemental Information (continued)
An entity may only recognize or continue to recognize tax positions which
meet a "more likely than not" threshold. The Organization assesses its
income tax positions based on management's evaluation of the facts,
circumstances and information available at the reporting date. The
Organization uses the prescribed "more likely than not" threshold when
making its assessment. The Organization has not accrued any interest
expense or penalties related to tax positions for the year ended September
30, 2024, and there are currently no open federal or state tax years under
audit.
