
Brady, Client of American Association of Caregiving Youth

“Being a part of the AACY has been like being a part of a big family. This program has enabled me to better assist as a caregiver at home, while having the support and encouragement to do well in school and beyond. As a caregiver, I have different challenges other than being just a regular kid, but AACY has been there every step of the way.”

United Way Funded Program:
Caregiving Youth Project

United Way
of Palm Beach County

Helping Youth Succeed

Funded Programs and Initiatives: 46 | Clients Served: 11,927

United Way
of Palm Beach County

FOCUS AREA GOAL

Help youth gain access to a positive relationship with a caring adult, and obtain the education, skills, and supports to achieve their potential and succeed in life.
