

UNITED WAY OF PALM BEACH COUNTY works to make an impact for people affected by some of our county's most challenging and far-reaching problems, including hunger, education, and housing. As a Champion for our community, United Way carefully identifies critical needs and issues affecting Palm Beach County residents and invests donor dollars into more than 110+ programs and initiatives that strategically and efficiently address those needs. These investments make an impact on significant community issues and create systemic change.

CONNECTING YOUR DOLLARS

OUR WORK ENCOMPASSES THREE FOCUS AREAS:

▶ HELPING YOUTH SUCCEED

Funded programs facilitate quality mentoring relationships, promote academic achievement, and prepare youth for post-secondary education and employment.

▶ STABILIZING FAMILIES

Funded programs support employment for adults with disabilities, provide financial coaching; teach nutrition education and distribute food; and provide housing stabilization for individuals and families.

▶ EMPOWERING HEALTHY LIVES

Funded programs enroll residents in health care programs, promote health and wellness, and provide primary, oral, and mental health care. In addition, we fund programs that provide quality activities, respite care, and medically necessary equipment for individuals with special needs.
